

# October 2021

Dear Families,

Hope all of you have peace and joyful days of September. Let's keep work together in the following months. We will continue to try our best to keep children safe and healthy. We will keep conducting daily health check for everyone. Please **keep your children home if they have any sick symptoms** (including running nose). Please follow entrance area rule **"one family at a time"** during drop-off and pick-up time and wait outside if there is another family.

We are glad to have Maple, Jordan and Leon B join us from this month and have our staff member Manasa back as well.

In October, there will be 2 special days: one is Thanksgiving (October 11, 2021) which **our center will be closed for statutory holiday**; and the other day is Halloween which is on Sunday. Therefore, we will celebrate it on Friday (October 29, 2021). Please let your children wear costumes on that Friday. We will not go outside for "trick-or-treat", it will be held within daycare instead.

This month, our theme will be Fall, Harvest and Halloween.
